June 2006

The Pikes Peak Lavender Film Festival is now preparing for its SEVENTH year! For many in our community the Festival has become a fall tradition in Colorado Springs. We are pleased to announce that the Festival will be held on September 15-16-17 in the Colorado Springs Fine Arts Center Theatre, 30 West Dale Street.

The Pikes Peak area's lesbian, gay, bisexual, transgendered persons, their families and friends look forward to the Festival as their premier annual cultural event. Your continuing support helps to provide a more balanced image of our city as an inclusive place in which to work and live for ALL persons.

This year we are pleased to announce a very special CHALLENGE GRANT from the Bee Vradenburg Foundation, a generous supporter of cultural diversity in Colorado Springs. For every NEW sponsor of the Festival, the Foundation will match that sponsorship DOLLAR for DOLLAR, thus DOUBLING the impact of that contribution! This applies to both individual and organization/company sponsorships.

Enclosed you will find a form describing the sponsorship levels for both the Festival and films, as well as information on display advertising in the Festival program. And, of course, your sponsorship is tax deductible as an advertising expense or as a donation to a non-profit 501 (c) (3) organization as allowed by law.

As in the past we will be presenting the best "lavender" films from around the world. These films are chosen by our programmers from those screened at the San Francisco International LGBT Film Festival. However, our opportunity to secure them is greatest if we know we have advance funding, so we need YOUR support as soon as possible! We must raise around $35,000.00 to cover all expenses of the Festival.

We hope that you will consider supporting the Festival, and we look forward to seeing you at the Fine Arts Center in the fall.

Sincerely,

The Pikes Peak Lavender Film Festival Board of Producers
